

GREETINGS FROM SDQHA PRESIDENT BOB QUICKSTAD!

Hello members and friends of SDQHA. 2022 is quickly slipping away and I want to take this opportunity to tell you it has been my honor to represent this great organization as your President this year. I humbly thank you all for this opportunity.

South Dakota remains a strong National force in the horse industry, not only in numbers of American Quarter Horses, but in the economy. We have not, in our lifetime, seen the demand for, and the prices received, as outstanding as it has been this last year. The demand for good looking, quality Quarter Horses is tremendous. It is up to each of us to continue to breed, purchase, and exhibit only the finest.

Promotion is an ongoing entity and our SDQHA continues to be National leaders in the betterment of the Quarter Horse through, not only our breeding, selling and exhibiting, but also our recognition and honoring of those deserving individuals and horses each year.

South Dakota is blessed to have our Governor, Kristi Noem, as a nationally recognized leader, horsewoman and a member of the SDQHA, Jim Hunt, a rancher, and Quarter Horse breeder on the AQHA Executive Board and two horses in the AQHA Hall of Fame. We have never enjoyed the spotlight that we now have with Quarter Horse people throughout the country.

Let us stay strong with our goals and determined in our mission. South Dakota and Quarter Horses, developing and preserving healthy youth, honest individuals and a friendly, carrying community. Stay strong my friends.

Regards, Bob
